

Junior Environmental Scientist / Technician

Overview:

Pioneer is currently looking for an energetic Junior Environmental Scientist / Technician to assist our team of professionals in conducting reclamation and remediation projects. The successful candidate must be someone with relevant experience in environmental site assessment and remediation and/or reclamation in Alberta, client communication and operational experience in the environmental field.

Responsibilities:

- Assist in conducting both Commercial and Upstream Oil and Gas Phase I, II and III Environmental Site Assessments
- Develop and build strong relations with our existing client base
- Conduct fieldwork activities and prepare technical reports for lease, pipeline development and environmental impact assessments, for the purpose of acquiring restoration or reclamation certificate
- Provide support and assist in the preparation of all documentation required to support regulatory filings as may be required by environmental permits
- Assist and supervise reclamation and remediation projects and complete related inspection in areas of operation
- Conduct file reviews, data compilation and data entry
- Complete Regulatory and Guideline Reviews to stay current with existing criteria and any on-going changes
- Liaise with client construction, drilling, production and surface land personnel
- Promote corporate, safety and environmental policies
- Other environmental related projects for clients as directed

Education and Experience:

- Minimum 1 to 2 years of experience in environmental consulting industry.
- Technical Diploma focusing on environmental studies, engineering, agronomy or geology or a related technical field
- Environmental experience in Western Canada within the Oil and Gas, Energy, Infrastructure, Real Estate and other industries
- Strong communication and interpersonal skills
- Strong organizational skills and the ability to work with minimum supervision.

Location:

The ideal candidate would be based out of our Calgary office.

Interested candidates are invited to forward a resume, in confidence to: hr@pioneer-group.ca

We would like to thank all applicants for their interest in this position however only those selected for interviews will be contacted.
